

CIEH Level 2 Award in Environmental Principles and Best Practice Length of course: *1 day*

Is this the right course for me?

This qualification has been designed for all members of staff whose activities could have a significant impact on the environment, or supervisors or managers who are being introduced to environmental issues for the first time.

This qualification provides an awareness of key environmental concepts and an introduction to environmental management systems.

Pre-Course Requirements

There are no formal requirements for learners who want to take this qualification.

What will I learn?

The qualification covers the following topics:

- Environmental impacts and sustainability
- Understanding environmental aspects
- Principles of environmental law
- Energy use and carbon management
- Resource efficiency and waste minimisation
- Water management
- Pollution prevention and emergency planning
- Environmental management systems

How will I learn?

You will learn by listening to talks, group discussions, course related in-class activities and question and answers.

Will I gain a qualification?

On successful completion of the 30 multiple choice questions you will be awarded Level 2 Award Environmental Principles and Best Practice certificate from the Institute of Environmental Health. Please note that certificates take 4 – 6 weeks to arrive.

What can I do next?

CIEH Environmental Management Certificate

CIEH Health & Safety in the Workplace

Other course information can be found on www.nextstep.org.uk or with a NEXT STEP advisor.

What do I need to bring to the classes?

Just bring pen and paper. All other resources are provided.

Can I talk to someone about my course before I start it?

It is usually possible to put you directly in touch with the tutor if a member of the skillscentre:mk team cannot answer your query.
