

FIRE SAFETY AWARENESS

Length of course: 2 hours

Is this the right course for me?

This course is designed for anyone who needs to have an awareness of the importance of fire safety in the workplace so they can recognise and understand how to react if the fire alarm sounds.

Pre-Course Requirements

There are no formal requirements for learners who want to take this course.

What will I learn?

The course covers the following topics:

- Main causes & effects of fires in the workplace
- Duties & responsibilities of stakeholders
- Procedures & actions in the event of a fire
- Fire prevention measures
- Fire risk management & risk assessment
- The fire triangle
- Fire risk control measures (active & passive)
- Reporting fire safety issues
- Portable fire –fighting equipment & how to check them

How will I learn?

You will learn by listening to talks, group discussions, course related in-class activities and question and answers.

Will I gain a qualification?

There is no qualification attached to this course.

What can I do next?

A Fire Warden Course (1/2 day) at the skillscentre:mk
CIEH Health & Safety in the Workplace –Level 2

Please see the course information sheets for more on these courses.

What do I need to bring to the classes?

Please bring a pen and paper. All other resources are provided.

Can I talk to someone about my course before I start it?

It is usually possible to put you directly in touch with the tutor if a member of the skillscentre:mk team cannot answer your query.
